Dear Mr. Yung,

As elected leaders of the great State of Alaska and protectors of the public health and welfare, we write to you regarding the citations that the Hilton Anchorage recently settled with AKOSH concerning worker allegations of possible mold exposure in the workplace. We hope that Hotel management will go above and beyond its settlement responsibilities to ensure that Alaskan workers enjoy the outstanding working conditions that they deserve, and we will continue to support workers as they monitor this situation going forward. While we welcome your continued role in our local economy, we pledge to honor UNITE HERE Local 878's boycott.

As Alaskans we take pride in our work ethic and culture of providing for ourselves and our families. We as legislators want to ensure that our fellow Alaskans have a healthy and safe workplace.

We the undersigned pledge our continued attention to this matter.

Sincerely,

Bice W. [Signature]
